FISC Puget Sound Det Everett

Current Operations

FLEET & INDUSTRIAL SUPPLY CENTER, PUGET SOUND

- **MPC Bremerton - Became operational Oct 1, 2001 and jointly managed by DDPW & FISC PS.**
- **MPC Customers: 4 AOE's, 1 CVN, Tugs, 2 Submarines**
- **IBS RIP Data emailed to CVN daily**
- **Subsistence Stevedore Loading Program**
 - **MULAG conveyor operational in Everett**
 - **Enhanced Fleet efficiency and QOL by reducing sailor manned working parties by 50 to 90 percent.**
 - **Loaded over 180,000 cases of provisions**

Successes

FLEET & INDUSTRIAL SUPPLY CENTER, PUGET SOUND

- **CVN MPC support started 25 Mar. 02 USS Carl Vinson CVN 70**
- **IBS RIP data working with CVN-70 since Aug.02**
- **Testing X72 process with AOE (Sacramento) Oct. 2002**
- **Loading SSBN subsistence modules utilizing stevedores (started May 02)**

- **Husbanding services operating in all 3 sites. Logistic Support Representatives (LSR) are well established and provide outstanding fleet support.**
 - **Delivery to the Pier on urgent TP1 requisitions**
 - **arranges vehicles**
 - **assist in open purchase reqns**
 - **expedite “hot items” when the ship is out to sea**
 - **perform daily interaction with ships (Phcon, email)**
 - **Work with MPC personnel to ensure that ships reqn’ are delivered per ship request**
 - **Liaison with all support services on behalf of the ships**
 - **Working with PMO on Casrep Reqn’s. (shipping, expediting, tracking)**

Challenges

- ◆ **LSR support for the carrier**
- ◆ **MPC IBS RIP data for carrier**
- ◆ **MPC X72 RIP data for small decks**
- ◆ **Need for additional personnel within the LSC (LSR, Customer Service desk)**
